Happy Fall to All of Our Preschool Families!

We have been very busy learning the routine and getting to know one another better. Your little ones have been hard at work learning social-emotional and self-help skills through play. You should be very proud of them! Please continue to **hug, love, and leave** at drop-off as this is best for all the children in the class. Even those that have a hard time separating; they are smiling and playing very shortly after you leave! It is also beneficial for your child to walk into school and not be carried in. This gives them a sense of independence and courage. Thank you for sharing your children with us!  
God's Love and Blessings!
